ratios and the date the requirements will become effective. The bank will be notified of the decision in writing. The notice will include an explanation of the decision, except for a decision not to establish individual minimum capital requirements for the bank.

(d) Submission of plan. The decision may require the bank to develop and submit to the Office, within a time period specified, an acceptable plan to reach the minimum capital ratios established for the bank by the date required.

(e) Change in circumstances. If, after the Office's decision in paragraph (c) of this section, there is a change in the circumstances affecting the bank's capital adequacy or its ability to reach the required minimum capital ratios by the specified date, either the bank or the Office may propose to the other a change in the minimum capital ratios for the bank, the date when the minimums must be achieved, or the bank's plan (if applicable). The Office may decline to consider proposals that are not based on a significant change in circumstances or are repetitive or frivolous. Pending a decision on reconsideration, the Office's original decision and any plan required under that decision shall continue in full force and effect.

§3.13 Relation to other actions.

In lieu of, or in addition to, the procedures in this subpart, the required minimum capital ratios for a bank may be established or revised through a written agreement or cease and desist proceedings under 12 U.S.C. 1818 (b) or (c) (12 CFR 19.0 through 19.21), or as a condition for approval of an application.

Subpart D—Enforcement

§ 3.14 Remedies.

A bank that does not have or maintain the minimum capital ratios applicable to it, whether required in subpart B of this part, in a decision pursuant to subpart C of this part, in a written agreement or temporary or final order under 12 U.S.C. 1818 (b) or (c), or in a

condition for approval of an application, or a bank that has failed to submit or comply with an acceptable plan to attain those ratios, will be subject to such administrative action or sanctions as the OCC considers appropriate. These sanctions may include the issuance of a Directive pursuant to subpart E of this part or other enforcement action, assessment of civil money penalties, and/or the denial, conditioning, or revocation of applications. A national bank's failure to achieve or maintain minimum capital ratios in §3.6 (a) or (b) may also be the basis for an action by the Federal Deposit Insurance Corporation to terminate federal deposit insurance. See 12 CFR 325.4.
